July 7, 2021 – CLUB MEETING

Word from the President

Welcome to our monthly Dinner Meeting. Isn't it fantastic to see how things have changed compared to a year ago? Two things I couldn't have imagined are that countless people would be receiving their second vaccination and the Habs would be in the Stanley Cup Finals, we have reason to be excited!

We also have reason to be excited as our Golf Tournament is in full swing providing us a wonderful opportunity to make a huge impact on the community again this year.

Guest Speaker:

This week we are pleased to welcome Tania Charron, Director of AJOI (Action Jeunesse de l'Ouest de l'Île). She is co-founder of Ricochet (Lodging / Homes), whose mission is to create accommodation resources for young people living in residential instability in the West Island.

AJOI notes on their website that "Despite the appearance of very favorable social conditions, the West Island hides a reality where 17,525 young people, 18% of young people from 0 to 34 years are living in areas of social and material deprivation."

I encourage you to invite your friends to this meeting to see how we impact the community.

In service,

Andy Sarrasin

Golf Tournament:

With just under 8 weeks till Tee-off our Golf Committee reminds us to continue reaching out to our network of friends and contacts for Sponsorships, Silent Auction items, Golfers and Dinner Guests.

Let's reach people before they leave on vacation or book for other golf tournaments. One West Island Mayor mentioned he was already booked for 3 other tournaments, so let's get those commitments before they are gone.

Remember....it's all for the children.
