

THE BULLETIN

Kiwanis Lakeshore

**May 19, 2021 – CLUB MEETING
1PM BY ZOOM**

Word from the President

Welcome and best wishes, I look forward to seeing you in large numbers for our Luncheon meeting. A number of our members attended the Eastern Canada and Caribbean Convention over the weekend with our very own JoAnn Davies as a guest presenter for the French segment of *Fundraising in Covid Times!*

There were also very interesting segments on *Attracting Younger Members* and *New Club Opening*. These presentations were very enlightening bringing to light some very achievable possibilities. We will be talking more on these topics at future meetings.

GUEST SPEAKER:

This meeting will feature Kiwanian Vis (Viswanath Tata) as our Guest Speaker; Vis will talk about the Montreal Aviation Museum.

PEOPLE IN THE COMMUNITY:

This week we are pleased to welcome Special Guest Captain George Motz of Sauvetage Baie-D'Urfé Rescue Squad (SBDRS).

This new initiative to invite a local business person or other person of interest in the community to address our members is a wonderful opportunity to meet local influencers and for them to get to know a little about our Club. Full credit goes to Kiwanian John Hachey for this exciting initiative.

In service,

Andy Sarrasin

The Montreal Aviation Museum (MAM) is dedicated to the preservation of Montréal, Québec and Canada's aviation history. It is a volunteer-based, community-oriented, non-profit organization. It is the only one of its kind in Québec that also has workshops on site, with volunteers working on restoration and replicas of aircraft and engines of historical significance.

Sauvetage Baie-D'Urfé Rescue Squad (SBDRS) The mission of the SBDRS is to provide competent and caring aid to the victims of emergencies in our community, through prevention, public education, and emergency services. Our goal is to cooperate with other services and better respond to the public we serve.

CELEBRATING HEROES:

A tremendous number of people in all professions have stepped up to the challenges of the Covid -19 pandemic. The spotlight has deservedly shone on the dedication of the medical professionals going way above and beyond since the beginning, with Nurses leading the way. They certainly deserved the recognition they received during National Nursing Week of May 10-16, 2021.

The National Nursing Week annual celebrations take place from the Monday to the Sunday of the same week as Florence Nightingale's birthday, May 12.

"Florence Nightingale (1820-1910), known as "The Lady With the Lamp," was a British nurse, social reformer and statistician best known as the founder of modern nursing. Her experiences as a nurse during the Crimean War were foundational in her views about sanitation." - *As seen on Google.*

The theme this year **#WeAnswerTheCall** was developed by CNA to showcase the many roles that nurses play in a patient's health-care journey. The pandemic brought to light the courage and commitment that nurses work under every day and showed the important role that nurses play in the community.

BIRTHDAYS AND ANNIVERSARIES:

Brian Abraham – May 8
Chantale Theroux – May 10
JoAnn Davies – May 20
Marilyn Dubuc – May 22

MEMBERSHIP ANNIVERSARIES:
