7 PM by Video Conference

Word from the President

Greetings Fellow Kiwanians,
Welcome and best wishes to all. It was wonderful to hear that Gilles is doing very well following his long awaited operation. Gilles, best wishes from your fellow Kiwanians, we wish you a speedy recovery and look forward to seeing you again!

As I was preparing for our AGM, it struck me how the last 12 months have just seemed to fly by and how people have become so much busier even though routines have changed so much. For the most part, when I speak with the various beneficiaries we support, they are busy adapting to the ever changing landscape created by the pandemic and related protocols; furthermore, they are adapting very well and making the most out of the unexpected opportunities that have come out of these new challenges.

I am very proud that our Kiwanis Club has adjusted extremely well ; we added five very talented new members, successfully re-imagined our traditional fundraising activities and implemented creative new initiatives, all during some fairly uncertain times. This says a lot about the dedication of our members and the resilience of our leadership group. Following the business portion of the meeting, it will be great to hear everyone's comments.

I look forward to seeing a large turnout for our Annual General Meeting to congratulate our incoming team!

Yours in Kiwanis,
Andy
