Dinner 6 p.m. at Casa Grecque

7218 Newman Blvd LaSalle – Zoom at 7 p.m.

Word from the President

Happy New Year Everyone,

As we turn the page on another incredible year, it is a wonderful time to reflect upon all that we have accomplished together as a Foundation in support of our children's needs.

2023 was truly a year of inspiration for Lakeshore Kiwanis. Our members and volunteers went above and beyond in ensuring the success of all our events. I am constantly inspired by the loyalty, generosity, and commitment that Kiwanis receives from both inside and outside of our community.

As we look forward to this new year ahead, I can assure you that our Lakeshore Kiwanis team will continue to draw upon your inspiration to develop new, innovative and exciting ways to build on the generous culture of our communities.

Sincerely, Jo-Ann A. Davies

Guest-Speaker: Dianea Carroll Phillips presents Science Yourself! No G's About It!

We Are Going! From Earth to the Moon and All Things Between and Beyond. This presentation will demonstrate how Canadian students and their global

counterparts are preparing for future space exploration missions to the moon and beyond. Learn how even the youngest children are doing research through carbon farming so our global citizens can continue to provide food for our planet. Learn about the ever-increasing STEM and STEAM education movement to prepare young minds to meet the needs of our planet and other planets in the solar system. See how Science Yourself: No G's About It is providing hands-on, real-life space exploration experiences for everyone from K to Grey. [Read more.](#)
