JUNE 16, 2021 – CLUB MEETING

1:00 pm via video conference

Word from the President

Greetings and welcome to our monthly Virtual Luncheon Meeting.

Guest Speaker:

Wanda Bedard of 60 Million Girls

This week we are very pleased to welcome our very dear friend Wanda Bedard who will present **“15 years of girls’ education: some surprising facts.”**

60 Million Girls is a Montreal-based public foundation dedicated to girls’ education in developing countries. Wanda is Founder and President and established the charity in 2006 to address a glaring need: 60 million primary-aged girls around the world were out of school, more than half the global total at the time.

Golf Tournament: Event Caddy & Golf Pamphlet

A huge thank you goes out to the Golf Committee and Friends for all the work that has gone into the logistics and important tools that prepare us for our most successful tournament ever. Event Caddy is now live and we will have plenty of Pamphlets available shortly in both languages.

Christian will take us for a quick drive through of our newly launched on-line Golf Registration and Golf Pamphlet.

Although we now have these great tools, this is not a turn-key operation. The most important work of all begins today with each and every Member.

The success of this fun and tremendously important fundraiser depends on all of us. We are calling upon you to appeal to your network of friends and contacts to support this hugely important event and help achieve our \$75K goal.

Reach out and ask for Sponsorships, Silent Auction items, Golfers and Dinner Guests. If you have any leads that Committee Chair, Jag or your President should approach please pass them along. **Always remember that it’s all up to us.....and it’s all for the children.**

*In service,
Andy*
