Word from the President

Greetings and welcome to a very exciting meeting featuring a Celebration of Irish dance!

We are in for a real treat as Bernadette Short presents a Celebration of Irish Dance with performances by several students from the Bernadette Short School of Irish Dance. You will be glad you joined us for this virtual meeting that promises to be virtually striking!

Can you believe our golf tournament is just over 12 weeks away? Finishing touches are being put on the promotional material and the marketing has already started. Social media will play a huge part this year and you can be a driving force through your social media platforms.

Our Forks and Corks Silent Auction will also play a major part in the overall profits of the tournament and will run online from June 13th to the 22nd. Now's the time to reach out to your network of friends and contacts for interesting items.

And finally, this meeting may hold a surprise for you!

In service,
