Word from the President

Hello Kiwanians,

As we welcome the month of March, I would like to extend my warmest greetings to all of you. As your president I am proud to report that our club continues to thrive and grow.

We have a lot of exciting events coming up as this year progresses. Please remember to put aside any gently used items for the DDO community garage sale taking place at the end of May. I am hoping for an enthusiastic slate of volunteers for this fun day.

Upon my return from Florida in early April further meetings are planned to discuss cooperating with the West Island Mission to launch our Signature Project, the Kiwanis Victory Garden.

Our golf tournament plans are now well underway, and volunteers and golfers can once again look forward to a terrific day.

I would like to remind everyone that our monthly meetings are a great opportunity to catch up with old friends and make new ones. Please feel free to reach out to me and our board members if you have any questions or ideas for future events.

Finally, I would like to express my gratitude to our board members for their hard work and dedication. They are always working behind the scenes to ensure that our club runs smoothly, and that we have a calendar full of interesting and engaging events.

Happy Birthday

Patricia Marshall - March 2

Brian Cadoret - March 8

Guest-Speaker Rose Muhr of World Vision Canada

We are very excited to welcome Rose Muhr to this meeting, she is Corporate Engagement Manager with World Vision Canada.

Rose was in corporate sales her entire professional life holding sales manager and key account manager roles.

In 2021 she knew in her soul that she could no longer do what she had been doing. There was a shift in her soul and priorities, Rose wanted to finish her life well and with meaning. She saw an opportunity on the World Vision Canada Corporate Engagement team, and now she shares how World Vision Canada is impacting the lives of children and communities every day for better.

We hope you can join us for what promises to be an interesting and educational presentation!

International Women's Day - March 8

International women's day is among the most important special days in March. It was first celebrated in the UK in 1908. The purple colour is the symbol of women all over the world.
