

May 6, 2020 – Annual General Meeting 7 PM by Video Conference

Word from the President

Greetings Fellow Kiwanians,

I look forward to seeing you tonight and welcoming you to our Annual General Meeting!

I sincerely hope you and all your families are doing well and getting through this unprecedented time facing the challenges of Covid-19.

We continue to see the valiant work done by our frontline workers and everyone involved in essential services. Even with so much discouraging reports on social media and in the news coverage, it is very encouraging to start seeing a bit of light at the end of the tunnel and one can imagine we'll be seeing some pretty imaginative Mothers' Day celebrations!

With some schools set to open again (if all goes as planned by the Government) our hopes and prayers are with the children and their parents as well as all the educators and staff!

Some of these children will be those impacted by the funds we raise and turn over to numerous organizations. I have seen some very encouraging results from the recent fundraising appeal to our members and I applaud you for your generosity and show of solidarity for our club. I will announce the current results of our campaign tonight.

Don't forget to have a glass of your favourite wine or "reasonable facsimile" ready for the Toast to open the evening; Kiwanian and Past President Jacques will propose a special Toast to Ray Felson who is a Founding Member of our Club!

Following the business portion of the AGM, I really look forward to Happy Dollars and to hearing why you are all so happy; it will be great to hear from you!

Yours in Kiwanis,
Andy
